

Partner with Us to Build Tomorrow's Tech Workforce!

Become our **Apprenticeship or Hiring Partner!**

We invite **employers** to join hands with VCA to **bridge the digital skills gap** and **create meaningful career pathways** for emerging **tech talent**.

★ Apprenticeship Partner

- Provide **On-the-Job Training (OJT)** for apprentices skilled in **Data Analytics, Cybersecurity** and **Software Testing**
- **Save on hiring, training and retaining** manpower
- Receive up to 75% of **wages reimbursed** by workforce and **TAX credit dollars**

★ Hiring Partner

- Offer internships or entry level jobs
- Hire IT skilled, job ready candidates
- Reskill or upskill your team with customized IT training
- Boost diversity, equity, and inclusion in your team

Why Partner with VCA?

- ✓ Industry-ready candidates trained to meet your workforce and talent needs
- ✓ Programs aligned with industry certifications (CompTIA, Microsoft, Oracle, Tableau)
- ✓ Affordable, flexible collaboration models
- ✓ Support for WIOA grants and apprenticeship funding opportunities
